To Our Valued Customers and Stakeholders:

National and local governments have instituted directives that impose restrictions on business activities in an effort to combat the spread of COVID-19. Fastbolt fully supports the preparedness efforts by all the government entities.

Fastbolt Corporation is deemed to be an “Essential Business”.

In addition, Fastbolt has executed a “Work at Home” strategy for purposes of safety and social distancing of our entire workforce, wherever possible and needed, and are operating without disruption.

Please continue to reach out to us with any questions or concerns.

Sincerely,

Fastbolt Corp.
